Step Two: Write a personal message

Step Three: Choose your color photos. NUMBER OF PHOTOS BEING SUBMITTED: _____

•PLEASE PROVIDE EITHER ORIGINAL, UNCROPPED/UNCUT/UNTAPED, PHOTOS AND/OR A CD WITH DIGITAL IMAGES OF 300 DPI. •Please note, printouts of photos made on inkjet printers do not scan properly and will appear grainy, so please do not send these. •WE CANNOT USE SENIOR PROOFS. •All photos must be rectangular or square. Do no send odd shapes. •We suggest you do not send pictures containing boyfriends/girlfriends as often relationships change and the senior ad cannot. •While you may request a layout by providing a diagram, we will not guarantee placement. •Do not attach the pictures in any given order or staple them. •Clearly label your photos by putting your name and address on the back of each (mailing labels are good). Be careful when writing on the back of photos so that ink does not bleed through or onto another photo. •The yearbook staff makes every attempt for a high quality, error free ad. However, the yearbook staff is not liable for damage to photos, typos, and we reserve the right to alter or not use a photo for content or design reasons. •We are not responsible for original photo quality that results in poor imaging. •Photos will be returned no later than April 1 (usually much earlier). **Please enclose a self-addressed/stamped envelope for return of your pictures.** •Please make certain the envelope is large enough to have photos returned. •The yearbook staff determines the remaining page allotment based on senior ads, which is why the deadline must remain this early.
